Our Commitment

The recipe for safety and performance starts with our commitment to our ingredients, our customers and ourselves. It's how we achieved a quality recognized by the highest certification available from the Safe Quality Food Institute, the SQF Food Safety Code for Manufacturing Quality (Edition 8). Maintaining this designation means that you can be assured of one thing: When you work with Hormel Ingredient Solutions, you're getting access to superior, safe ingredients — from foundational products to fully cooked meats — backed by a team dedicated to ensuring your success.
